

BeoSound Essence Remote
Quick guide

Use the correct size and type of screws and wall anchors – taking into account the construction and condition of the wall. Use 2 round-head screws (\varnothing 3 mm, 0.12") and wall anchors each with a minimum load rating of 2.5 kg (5.5 lbs).

Special notice about light partition walls

If you intend to hang the product on a gypsum wall (also known as drywall or wallboard), the wall bracket must be fastened to a vertical stud. Mounting was evaluated for use on a drywall surface.
