

# BEOSOUND ESSENCE

An iconic one-touch music system

## AS EASY AS TURNING ON THE LIGHTS

BeoSound Essence is a one-touch music system to hang on your wall or place wherever you need it. It is designed to let you control your music in the simplest way imaginable giving you direct access to music services and thousands of global Internet radio stations. With just four buttons BeoSound Essence frees you from the complexity of modern life and lets you just enjoy music. If you're looking for full control, look no further. The BeoMusic App puts you in charge of your music and gives you control of what to play and where to play it throughout your home. Simple, intuitive and unique.
